A tour of the main campus will be given by our Student Ambassadors.
- 12.00** **Lunch**
(Physics Building, Teaching Area E)
Lunch will be provided by the Department as part of the visit, this will include the opportunity to chat informally with members of academic staff and current students on the degree.
- 13.00** **Department visit**
The Department visit will include:
- Welcome to the future of Science*
- an introduction to Interdisciplinary Science, discussing the content and structure of the course, as well as additional activities available during your degree and opportunities after it
- Departmental Tour*
- a tour of some of the department's facilities, including teaching and research activities
- Interview*
- a short informal one-to-one talk with a member of academic staff
- Q and A*
- we conclude with refreshments and an opportunity to discuss any further questions
- 15.00** **Accommodation Tour**
The tour will take the main Halls of Residence at the Oadby Student Village and visitors will be able to view the social facilities and a typical student room. The tour lasts approx. 1 ½ hours.
- 16.30** **Return to Campus**
End of Visit

If you are delayed, or require any assistance during your day, please make your way in the first instance to "The Square", in the Students Union Percy Gee Building, where staff will be situated all day to help.

If you are attending only for the departmental visit, please make your way directly to the Physics Building on arrival.
