INFORMATION FOR GRADUATE STUDENTS AND POSTDOCS

PhD students and postdocs are invited to submit a paper (and abstract) for a poster presentation. The abstract, paper and the letter of support from the supervisor should be sent to Sergei Levendorskii sl278@leicester.ac.uk

Limited funds are available to cover (partially) accommodation and travel for UK based research students: 100 pounds per student, for up to 10 students. The money will be allocated on the first came first served basis but the students whose papers are accepted for the poster session will have the priority.
