University Library

Supporting your research
Supporting your research...

Information, training and services to help you:

- Maximise the visibility and citation of your publications;
- Comply with the University’s and your funders’ requirements on Open Access publishing and research data management;
- Put your research resources online;
- Discover what specialist information resources and services are available;
- Develop effective search strategies and techniques for pinpointing the most relevant research literature;
- Get up-to-date information to come to you;
- Manage all your bibliographic references easily using specialist software;
- Meet the University’s requirement to submit your thesis electronically;

All you need to access the thousands of eJournals, eBooks and other digital library resources available is a University IT account username and password. Your University card is also your Library access/borrowing card.
