- Applications can be accepted throughout the academic year up until the deadline of 31st July, except final year students who need to apply no later than 4 weeks prior to their course end date. Please note the Hardship Fund is drawn from a finite pot so it is recommended you submit your application as soon as possible because any award will be subject to available funding.
- It is important that all supporting documentation is enclosed with your application form. The Student Welfare Service cannot usually accept original documents and you are therefore asked to provide legible photocopies. In exceptional circumstances you may be contacted by the Hardship Fund Administrator and asked to supply relevant original documents. Applications that do not have supporting documents are incomplete and cannot be processed. These forms may be returned to you with an explanatory letter. This will delay your application. Part 11: Declarations

It is very important that all the relevant boxes are ticked – this helps us to determine your eligibility for support from the fund.

If you have lived in the UK for at least three years before the 1st day of the 1st academic year of your course and have no restrictions on your stay (or have been granted refugee status) you will normally meet the eligibility criteria. If you have been notified that you are eligible for support from Student Finance England (SFE) then you definitely meet the criteria. If you are unsure and would like clarification of your personal eligibility, please contact the Student Welfare Service – details below.

Please do not forget to sign and date your form.

How long have you lived in the UK before you started year 1 of your course?

- 5 years or more
- Less than 5 years

If less than 5 years please give the date when you first lived in the UK.

Are you a non-UK European Union National?

- Yes
- No

Have you ever had any restrictions on your length of stay in the UK?

- Yes
- No

If Yes, please provide documentary evidence that this no longer applies.

- I declare that the information that I have given on this form is correct and complete to the best of my knowledge.
- I understand that giving false information will automatically disqualify my application and may also lead to disciplinary procedures being brought against me by the University. I further undertake to repay any grants obtained by me as a result.
- I agree to any award approved being used to settle any outstanding debts I have accrued with the University.

Evidence Required
Please ensure that all required documentary evidence is submitted with your application

Details of information required

- Below is a list of documents you will need to submit (depending on your circumstances) with your completed application form. If any evidence is missing no assessment will normally be made until the evidence is provided and your form may be returned to you with an explanatory letter. In addition to this, you may need to send in further (photocopies of) documents specific to your situation. We will contact you if this is necessary.
- If you have any questions on which documents you need to produce please contact the Student Welfare Service as detailed on page 10 of the form.

☐ Student Finance England (or Wales, Scotland, Northern Ireland funding body letter) Support Notification letter

☐ NHS or other Bursary Notification Letter

☐ Research Council/Board Award Notification Letter

☐ Receipts from Nursery/Childminder

☐ Proof of any benefits/tax credits of which you are in receipt (either full award letter or first three pages of payment book)

☐ University Bursary/Scholarship Notification Letter

☐ Bank/Building Society statements – copies of the most recent three months on all accounts held by you and your partner (if applicable), clearly annotated, to show as far as possible, where your money has been spent and where credits are from. If you do not have the relevant statements, most banks will be able to provide you with a printout (do not ask for copy statements as these normally incur a charge). Ask your bank to put your name and their branch stamp on the printout. Printed online transactions can be provided but must clearly show your name, address and bank account details. If you are eligible for a Student Maintenance Loan then we need to see evidence of this payment received into your bank account.

☐ Evidence confirming bank, sort code and account number if not highlighted on bank statement.

☐ Evidence of Rent/Mortgage (unless payment of this is very clear from your bank statement)

☐ Evidence of Council Tax liability (if applicable)

☐ Other documents in support of your circumstances (e.g. medical certificates, evidence of high travel costs, proof of refugee status, Exceptional Leave to Remain/Enter etc.)

☐ Current (valid) motorcar/motorbike insurance certificate (if applicable)

Please note if eligible you must have taken out a Student Maintenance Loan before receiving help from the Hardship Fund. In the case of students applying for funding through Student Finance England (England), Student Finance Wales (Wales) SAAS (Scotland) or Student Finance NI (Northern Ireland) you must have applied for your full assessed entitlement. If you are unable to access your full due entitlement this does not make you ineligible for the Funds but further information will be required. It is advisable in these circumstances that you make an appointment to see a Student Welfare Adviser; contact details can be found on page 10 of this form.
