IFoA – Introduce a new Core Ethics (CE) module

Adding more Ethics and Professionalism to CP1

Initiation of ethics into actuarial courses at universities
- Moral philosophy used to be a core actuarial subject in Heriot Watt
- It’s part of the qualification for Swiss actuaries
- Liberal arts degrees

Happy to share UCD ethics course notes (through AERN)
Ethics debate – at next year’s ATRC
Thank you for your attention

Questions very welcome?
