Please get your coffee from the tables by the far wall - if you prefer tea, please go to the serving hatch. At lunch, please take your plate from EITHER end of the table and work towards the drinks in the centre. In deference to the wishes of the Methodist Church, no alcohol will be served.

Please do not take food or drink into the Church area.

The toilets are to the left behind the stairs in the central corridor area.

We have a very full programme so it would be helpful if you could return to your seat promptly for the next lecture - thank you!
