This privacy notice explains how we use your personal information and your rights regarding that information

Why are we collecting your data?

The demographic information will help us to understand the groups of people that have responded to the survey, and will help us ensure we can target our publicity to the groups that have not responded. The contact details will enable us to tell you about the next stages of the project, if you want to know about this.

What do we do with your information?

If you choose to give us your contact details, we will use them to occasionally send you information about the project. These details will be separated from the demographic information. The demographics will be analysed and reported on when we publish the results of our project. It will not be possible to identify any individuals from this.

What is the legal basis for processing the data?

- Consent

If we are sharing your data with others who are we sharing it with?

The information will stay within the project team at Leicester University and will not be shared with anyone else.

How long we will process your data for?

When the project is completed (which will be in about 2 years' time) we will destroy your contact details.

How can I access the information you hold about me?

Please contact the project team.
