8th September 2011

To whom it may concern

Title of Study: An evaluation of the Paediatric Observation Priority Score in predicting appropriate admission and safe discharge from a Children's Emergency Department. (Chief investigator: Dr Damian Roland)

This letter is to confirm that I have read the ethics application prepared for this study, and that in my opinion the statistical methods and techniques mentioned are appropriate for the research that is planned.

Please contact me if you have any queries.

Yours faithfully,

NA Taub
