Dr Peter Kraftl

Full List of Publications (last updated July 2011)

Books

Papers in peer-reviewed journals

Book chapters

Two entries for the International Encyclopaedia of Human Geography on ‘Urban Imagination and Representation’ and ‘Urban Architecture’ (2010), published by Elsevier

Entry for the Encyclopaedia of Urban Studies on ‘Heterotopia’ (2009), published by SAGE.
**Policy reports**

I have been involved in (and in many cases led) teams producing over fifteen policy and consultancy reports for local authorities and national organizations. A selection of these reports is included below.
