

ECORD Summer School: Downhole Logging for IODP Science

4th to 10th July 2020 – Leicester, United Kingdom

Application Form

Applications will be accepted until **Friday 14th February 2020**, after which they will be evaluated by a panel selected from the organizers and tutor/lecturer pool. A maximum of 30 participants can be accepted to attend the ECORD Summer School in Leicester. It is anticipated that applicants will be notified of the outcome of the application by Tuesday 31st March 2020.

The Application Procedure

To apply to this year's Summer School please email epc@le.ac.uk with copies of:

- This completed application form and its associated conflict of interest statement
- A statement of interest in the Summer School
- A short CV, and;
- A letter of support from a supervisor (should you be an undergraduate or graduate/PhD student)

Payment for the Petrophysics Summer School is only due upon awarding of an offer of acceptance, after the application process has closed. In 2019 the fee for this course was **£180** incl. VAT, and we foresee no significant price change for 2020. This price includes attendance to the icebreaker event, conference dinner, all teaching related activities, teaching materials, field trip, and coffee breaks. This price does not include accommodation, meals, or travel expenses.

Conflict of Interest Declaration

During the Petrophysics Summer School participants and instructors will visit Reeves Wireline Technologies (part of Weatherford) to learn about tool technology, development, calibration and testing. Owing to the potentially commercially sensitive nature of some of what we might see and learn, it is essential that all participants declare any conflicts of interest they may have. These include, but are not necessarily limited to, working on collaborative projects with, or receiving funds/sponsorship from Weatherford competitors. Please provide details below of any such relationships that you may have:

Name of Company / Organisation	Nature of relationship / association
