Sally Kyd Cunningham: List of Publications

Single-authored books

Co-authored books

Jointly-edited books

  
  This book “provides some unique views of the criminal law from many angles and many diverse schools of thought, and is done clearly, concisely and with consideration for student readers and professional researchers alike. This volume is a welcome addition to the existing literature in this field” (Lisa Cherkassky, Book Review, (2010) 30 Legal Studies 502-506).
