

New Directions in Media Research: Post-Graduate Research Day
at
The Department of Media and Communication
University of Leicester

Wednesday 13th June 2012

Abstract Submission Form

This one day event, funded by the Graduate School Researcher Development Fund, is aimed at giving post-graduate research students the opportunity to share their research with fellow students and academic staff. The day will be a great opportunity to gain confidence at presenting, network with fellow researchers, contribute to critical discussion and help to create an active research community that will benefit us all.

The day itself will be structured around four core themes:

- Media and development
- Research Methods - focusing on the application of research methods to study changing and contemporary media environments and issues
- Media and Politics
- Media Production, Consumption and Representation

Please note that 'media' refers to both traditional forms of media as well as new media and digital technologies.

We invite abstracts from PhD students from all years of study and at all stages of their research. Please complete the form below with your details, the title of your paper and an abstract of no more than 200 words.

Please return this abstract submission form to: Jennifer Cole - jmc56@le.ac.uk

Deadline for Submission: 30th March 2012 – 5pm.

Acceptance Notification: By 20th April 2012
