

Molecular and Cellular Biosciences

Summer Seminar Series

Frank and Katherine May Lecture Theatre
Henry Wellcome Building

- **Friday 13th May** Professor David R Critchley – University of Leicester
Department of Biochemistry, Cancer Theme Lead,
"The integrin family of cell adhesion molecules - the cytoskeletal connection"

- **Friday 10th June** **Joint seminar with Cardiovascular Sciences Theme:**
Professor Thomas von Zglinicki – University of Newcastle
Professor of Cellular Gerontology
"Cell senescence - an old story"

- **Friday 8th July** David Ron M.D. - University of Cambridge
Professor of Cellular Pathophysiology and Clinical Biochemistry
and Wellcome Trust Principal Research Fellow
"Cellular adaptations to protein load in the early secretory pathway"

ALL FRIDAY SEMINARS WILL TAKE PLACE AT 12.30PM

Theme leaders : Prof. John Schwabe and Prof. Andrew Tobin
