SEE ART / MAKE ART

Attenborough Arts Centre can provide a unique, creative setting for your event. We have a range of adaptable and accessible spaces, suitable for meetings, gatherings, arts classes, rehearsals, performances, training or workshops - in fact, whatever you need.

You can hire our spaces from only £15 per hour, and discounted rates apply to University of Leicester staff and students, and disability associated events. Please ask for details.

Our theatre, rooms and studios offer excellent audio-visual and performance set-up options and are flexible enough to meet most needs.

- We can provide highly experienced technical support for your event, whether this is a full scale performance, or a low key presentation. Contact us to discuss your needs and the costs involved.
- We offer great catering through our Arts Bar café. We can also offer bespoke catering to your event through the University of Leicester's award winning catering services, to reward and refuel your audience or delegates
- Our fully accessible changing room includes a hoist, height adjustable changing bed, shower, toilet and sink, with plenty of space to move around.

Please call our Venue Officer on 0116 223 1534 to discuss your needs or to make a booking. Alternatively, you can fill in a Venue Hire Enquiry form on our website [www.attenborougharts.com](http://www.attenborougharts.com)
