

## Christmas Wreath Workshops at the Botanic Garden 2019

Dress your door with a beautiful bespoke handmade Christmas wreath whilst enjoying the beautiful surroundings of Leicester Botanic Garden. What better way to get into the Christmas Spirit!

Come and learn techniques to make your own festive, fresh wreath. You will cover a wire frame in moss and foliage and decorate it with traditional materials. Pine fir cones, dried limes, orange slices, cinnamon sticks, ribbons and baubles will be available to choose from. Kathryn from Beauty and the Rose Florist company will teach and guide you to create a fabulous wreath that you will be proud to hang from your front door.
