LEARN TO WEAVE
These workshops will show you how to set up and weave on a simple rigid heddle loom. All equipment is provided. Weaving is an absorbing and therapeutic hobby. These sessions will give you the opportunity to try weaving without committing to buying equipment. Leave with a finished piece that is all your own work!

WEAVING GROUP DAYS Social days for weavers of all abilities, we may try a new technique or bring your own project but the focus will be on having fun and helping each other. You will need to have your own loom if possible, but there may be a small number of looms available for loan for a small charge but these must be booked in advance with Helen.
