Arrival Information

Information for new students starting a full-time English language programme on 31 July 2017

Module E registration is at 9:00 am on Monday 31st July 2017.

Location: Peter Williams Lecture Theatre on main campus (http://www.le.ac.uk/maps/)

Important:
If you cannot arrive on the first day, please send an e-mail to eltu@le.ac.uk explaining why you will be late and when you will arrive.

Paying your fees
Online payments can be made at any time and once you have paid online you will receive an email receipt as evidence we have received your payment.

- Watch a video: How to make a payment online
- Make an online payment: https://www2.le.ac.uk/offices/sas2/fees-and-finance/payment-methods/payment-by-card.

In order to use the online credit and debit card system you will need:
- your 9 digit University of Leicester student ID number (without the Letter S) - this can be found on your offer letter;
- your date of birth; and
- your credit/debit card details

Money Transfer
You can pay the University by using Western Union Business Solutions bank transfer service to make bank to bank transfers to the University of Leicester. This is recommended because:

- We can ensure that we receive your funds within three working days from when you instruct your bank to make payment, compared with a minimum of five workings days if you organise the payment direct to our bank
- There are no transaction charges from University of Leicester or Western Union Business Solutions
- The rate quoted is held for 72 hours
- There are favourable exchange rates compared to most banks
- There are reduced bank fees because transfer is initiated locally
- The full payment amount is received by University of Leicester
- The platform is currently translated into seven different languages - French, Korean, Indonesian, English, Traditional Chinese, Simplified Chinese and Hindi. Soon this will include Spanish and Japanese

To use the service you must provide student and payer details including your name, date of birth and University of Leicester Student ID number (9 digit number).

The GlobalPay for Students bank transfer platform is provided in partnership with Western Union Business Solutions and offers a choice of 37 different currencies. Paying by this method ensures your payments are reflected on your University student account within a maximum of three working days from the date you instruct your bank to make payment. To use this service, visit the Western Union website.

- Find out more about paying fees
Important:
Registration is faster when you make the payment online in advance. We strongly recommend that you pay your tuition fees two weeks before the course starts.

Entering the UK
You may need the following at the UK Border:
- Evidence of your finances (bank statement, sponsor’s letter)
- The address of your accommodation in Leicester and a contact name and phone number (University of Leicester).

Health Insurance
The National Health Service (NHS) might seem very complicated if you have not used the system before. The NHS is a public funded system which provides health care for residents in the United Kingdom (UK).

Check our Guide to the NHS to see if you are entitled to free health care treatment.

Warning:
We strongly recommend that you buy health insurance if your visa is shorter than 6 months. The National Health Service (NHS) does not cover international students with visas shorter than 6 months.

Travelling to Leicester
Visit the Getting to Leicester page for details on transport to Leicester.
