Is it ODA?

From [http://www.newtonfund.ac.uk/about/what-is-oda/](http://www.newtonfund.ac.uk/about/what-is-oda/):

- Is the project addressing the economic development and welfare of the country in question?
- Are the countries involved on the [DAC List of ODA Recipients](http://www.newtonfund.ac.uk/about/what-is-oda/) (the Development Assistant Committee of the OECD)
- Is there a development need that my project or activity is addressing?
- Is this credible or is there evidence of the need?
- How would this project or activity be applied in the country?
- What would the impact of my project or activity be, and who would benefit?
- How does my project or activity contribute to sustainable development?
- Would this lead to a reduction in poverty in a developing country?
- What would success for this activity look like?
- How would success or impact be measured?
