Proof of Concept Fund

Call 6 opens **24 April 2017**
Grants in the region of £15,000 to £25,000

Providing funds to drive projects with significant commercial potential towards achieving key commercial milestones, for example:

- A licence agreement
- A joint development plan with an organisation
- A large grant application for translational funding

Eligible applications could include:

- Proof of Principle Studies
- Market research
- Validation of technology in industrial/clinical setting
- Design and manufacture of a working prototype
- Development of relationships with relevant businesses to commercialise the technology

Funding could be used to pay for:

- Staff
- Equipment
- Consumables
- Travel
- Expert advice
- Market research

Duration: up to six months

Not sure whether your project idea will be eligible? Want to register your interest?
