

Timetabling query resolution guide

Query: I want to change my course

Step 1

If you would like to change your course, refer to the [Transferring Course](#) webpage for advice.

Step 2

If your requested change of course is approved, your student record will be updated accordingly. Once your student record has been updated to reflect your new course, you will see your revised personal timetable within 24 hours. You can check whether your student record has been updated in the 'Study' section of [MyStudentRecord](#)"
