To Whom It May Concern:

I would like to invite my family to visit me in the UK in order to attend my Graduation Ceremony on 8th July 2014. They will visit me between 14th July and 3rd August 2014 and the family members I wish to invite are:

- Jianyu CHEN (date of birth 09/10/1970) , relationship: father
- Xiaoli JIA (date of birth 15/06/1967), relationship: mother

They will be staying with me at Flat 1A, 123 Local Road, Leicester, LE1 2AB. This is a private rented house and I have included a letter from my landlord, which gives permission for them to stay with me during this period.

I have provided them with a copy of my current passport and visa to show that I have current permission to be in the UK.

Yours faithfully,

Minglu CHEN
