

# What LIIPS delivered for Leicester, Leicestershire and Rutland

"Excellent session, I feel confident in asking questions about data but also understanding the bigger picture."  
(CCG staff member)

## Training

- [Measurement for Improvement](#)
- [Quality Improvement](#)

15 workshops  
261 attendees

## Access

- 11 [seminars & workshops](#) (excluding training events)
- 384 attendees

"I have received academic advice, networked with clinicians and academics, [and made] successful bids for grants by joint application."  
(NHS staff member)

## Commissioned activities

- LLR organisations – 10 days
- East Midlands AHSN – 4 workshops

## Awareness

- Around 1,500 [website](#) page views per month
- 547 people on the LIIPS mailing list
- Weekday tweets [@LIIPSLeics](#)

## Facilitation

- [Medication Safety Group](#)
- [Safer Together LLR](#) community of practice (continuing via EM AHSN)

9 meetings  
178 attendees

"Medication Safety Group projects were highlighted as LIIPS activities that had led to tangible changes in practice. [...] Substantial cost saving was made."

[LIIPS evaluation report](#)

"I had collaboration for a research project (finished) and made new connections for a future research project."  
Academic

## Connecting & collaborating

- Purposeful introductions & networking opportunities
- Many benefits e.g. [Health Foundation grant](#)
